

Eye Bomb

Client Profile

She is Yuria. She is 31 years old. She works normally during the day. Her daytime work always uses a computer.

At night she starts a real job. The job is a super hero!! Her name changes when she becomes a hero. The name is "Thunder Woman." The speed of finishing her work is like thunder. So she became this name when she was a hero. And she likes the thunder mark very much. The thunder mark is in her cup and clothes. Also she likes to drink coffee. She often puts coffee in a cup with a thunder mark.

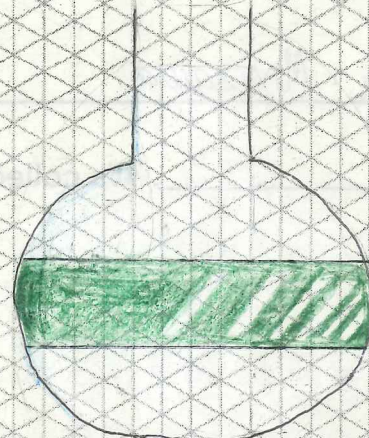

She gets up early every day and is training. She is very stoic! Thanks to this training, she can finish the hero's work right away.

Her hero's job is to protect justice. So she steals some informations about bad people. When she steals the informations, she uses her eyes. Her eyes have a special effect.

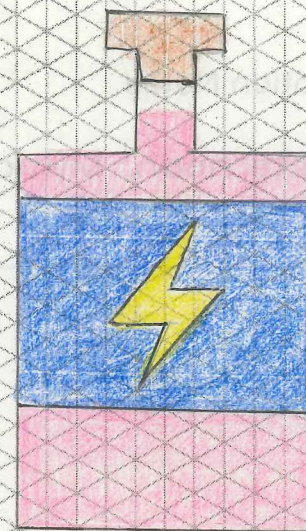

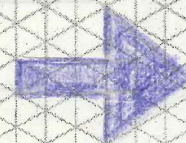

Red eye wash

It is very irritating to eyes when used alone. If she uses it like that, she will not be able to see anything for a certain time. So it's very very dangerous! However, using this, she can see very far with her eyes for short time.

White eye wash

All dirt on her eyes can be taken cleanly with this. Also this can relieve eye strain. Her eyes are tired from using the computer for so long. Just using it can make good condition for her eyes.

Pink eye wash

Mixing red and white ones. It will turn pink and have a special effect. The special effect is that the beam is emitted from the eyes. This beam can input all the information that entered her eyes. This effect is useful for collecting information on her hero activity.

Caution!!

Don't use more than 10 seconds. Use only for eyes.
