

Client Profile

My client is a space man. His name is Tom. He is 40 years old. He has a son and a dog. His favorite color is orange. He always works at the dark place, so he likes bright color. His son is 6 years old. He doesn't have a wife, so he always takes care of his son by himself. He likes to cook and playing with his son and the dog. His son really likes Tom's cooking.

His job is working at the space. In a mission, he goes to the space for one year. After the mission, he can rest at his home until the next mission. While his vacation, he cooks delicious food everyday. Actually, he wanted to be a cook when he was a child. He became a spaceman, but he wants to be a good cook. His favorite food is pizza. He likes to make his original pizza. He can make more than 100 kind of pizza.

This product has two parts. The robot and the suit. If he wears this suit and cooks in the space, the robot cooks the same food. He can control the robot by the suit in the space.

He couldn't go back home for a long time when he went to a mission. So his son can't eat his father's cooking for a long time. If he has this product, he can cook for his son everytime.

① Material

This robot is made of smooth and soft material. And the color is white.

② Cameras

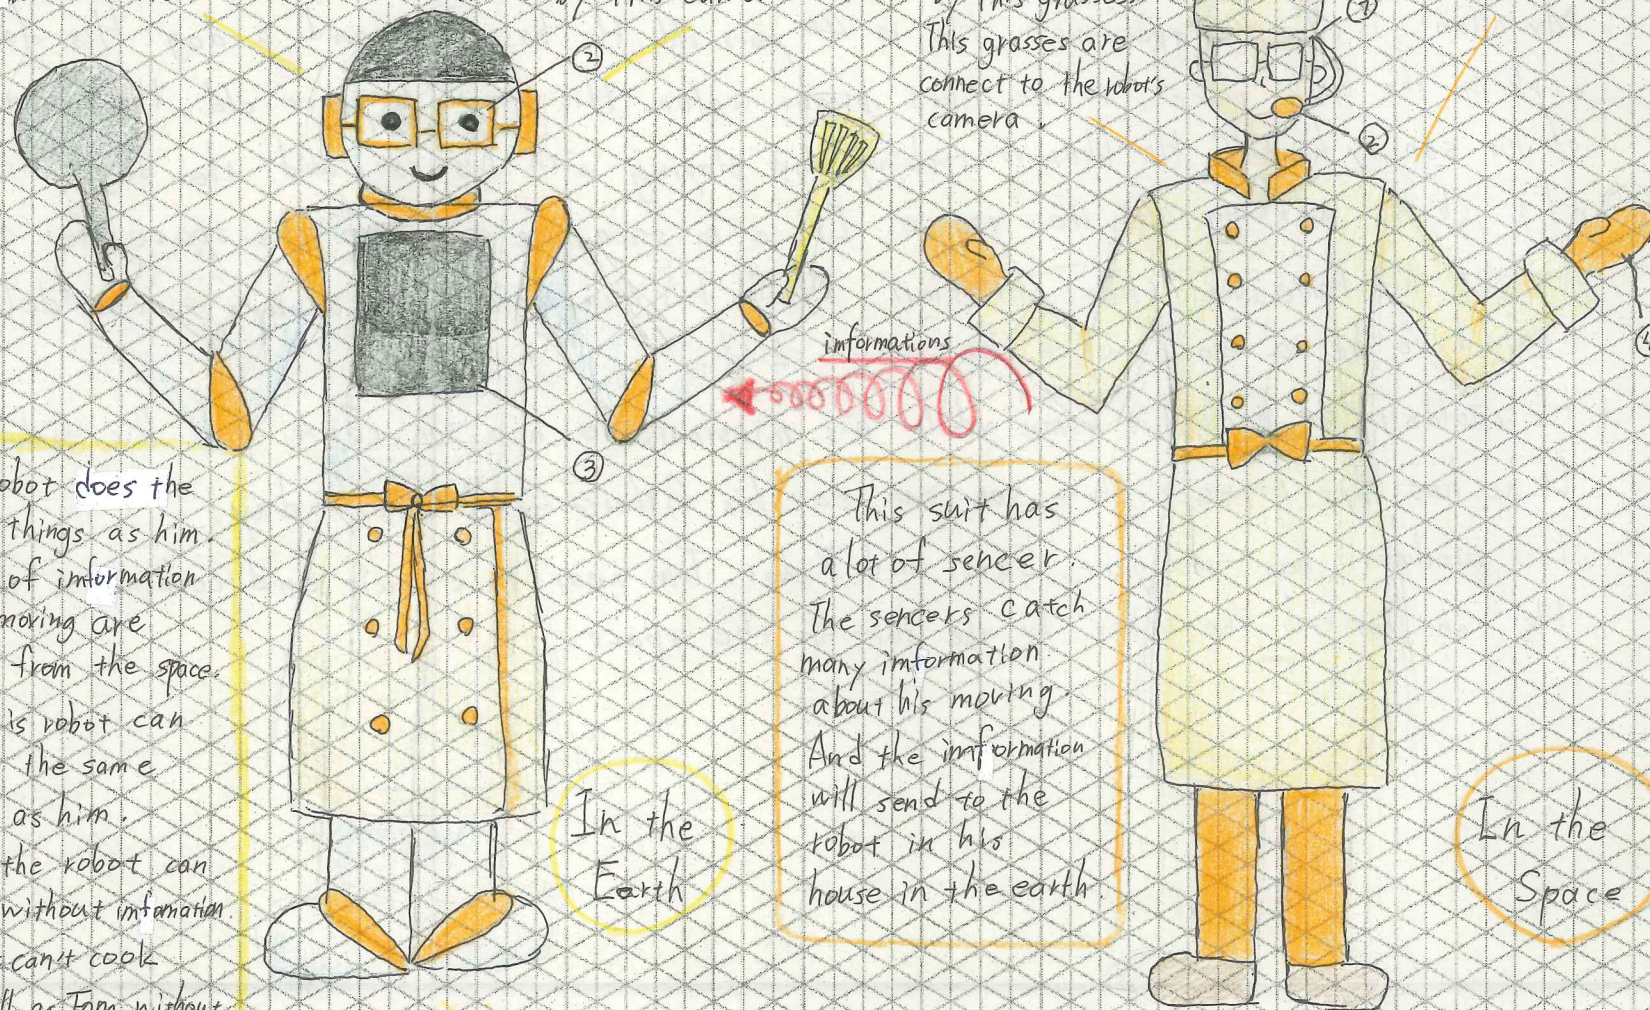

This robot's eyes are cameras. Tom can see the view of his house by this camera.

⑦ Grasses

He can see the view of his house by this grasses. This grasses are connect to the robot's camera.

② Mike

He can talk with his son by this mike.

This robot does the same things as him. A lot of information about moving are send from the space. So this robot can make the same dish as him. And the robot can cook without information. But it can't cook as well as Tom without information.

This suit has a lot of sensor. The sensors catch many information about his moving. And the information will send to the robot in his house in the earth.

③ Monitor

Tom and his family can video call by this monitor. And this monitor can connect to the TV.

④ Battery

Charge the battery at night. It takes an hour to charge the battery to the full.

③ Design

This suit looks like cook suit. Because he wanted to be a cook. And the color is orange, his favorite color.

④ Groves

Groves can get more finer information about his moving.
