

Client Profile

His name is Tetsujiro. He is 27 years old, and he is a famous rap star in the world. He is very busy because he has to appear on TV and radio every day. So he is so tired. He wants to be healed by "something". Not "someone". He is not good at talking with girls. He is very popular in the world, so a lot of girls speak to him every day, but he has never made a girl friend. So he wants something to talk with. And he is good at not only performing rap, but also singing a song. So he likes to go to karaoke very much. He goes to karaoke alone once a week. Actually he wants to enjoy karaoke in his house, but he can't because there are a lot of houses around his house. His voice is very big, so his singing is always very noisy.

< Karanimal > Karaoke & animal

- You can enjoy Karaoke with normal CDs!
- You can sing with your full power with a special mike!
- You can see the words of songs!
- You can talk with this product!

They are two cameras like eyes and a speaker like a mouth. He wants something to talk with, so this machine can talk! The cameras are used to know his feeling and the speaker is used to play music and speak to him

You can see the words of songs here. It's very useful when you're doing karaoke!

this is a CD box. It's very cute like a kangaroo's pocket!

This is a mike! You can use it when you enjoy karaoke at home. Is it noisy? No, it isn't! This mike can make your voice smaller. So you don't have to put up with singing with your full power in your house! This is a very cute tail of "Karanimal"!

Color & Material

This machine's color is yellow. Yellow is one of the best colors to heal people. He wants to be healed! And the material is cloth and cotton. It's very soft and cute like a stuffed animal. He can be healed by this product every day!

This is his favorite mark. He loves this mark very much! His necklace has this star mark, too!
