

Client Profile

My client is knight.
 His name is Tom.
 He has a girlfriend. She is fortune teller.
 So, he and she believe fortune.
 He will marry ~~with~~ her, but he is so coward,
 he can't tell her.
 He is very strong, so a lot of people respect him.
 And his horse's name is Toma. It is white,
 So Tom is called "prince on white horse"
 But he doesn't like this nick name.
 He is cool because a few years ago, one girl said
 to him "you look so weak."
 He was shocked. So he is careful about his
 appearance.
 He likes animals and is kind to every animals,
 So every animal likes him, too.
 Especially, he likes horses and chickens.
 He has a cage for chicken.
 He is knight. He works and fight for
 country. And he is strong.
 So he often have to go war.
 He have to sleep outside.

This is very good "Alarm Clock". Sometimes, knights have to sleep outside because they work for country on great man. So they have many expeditions.
 But, outside is very dangerous. For example, some ghost come near and some monster attack the knights. So they can't sleep well. They eager to sleep!! So I developed of this Perfect Chicken.
 It can win the monsters. It looks very cute, but it is very strong!!

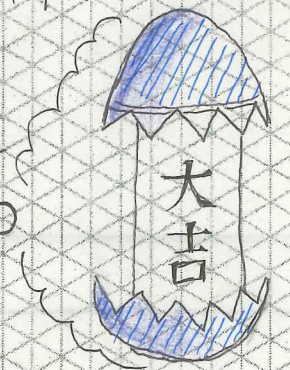

Perfect Chicken!!

It made from iron, because it should be hard and strong... And it looked so strong, so the knights can sleep without worry.

We use it at night. So dark and blue are not conspicuous.

It called fortune. It yields one fortune every day.

It blow fire out of its mouth.
 You can get up with music! You can change music. It has kinds of 10000 music. And we can listen to music at any time every time.

It is Alarm Clock so This is watch. You can get up at any time.

It get powers from sun light. This chicken has a solar panel. And it gets power by walking. So at noon, this chicken follow you, you don't need to do it.

It can run 160 km/h
