

Client Profile

My client profile is vampire. His name is vamp. This name comes from vampire. He is fifteen years old, so he is junior high school student. But he is not liked by other junior high school students. He likes playing game like a 3Ds, will, swich and so on. And if it become night, he enjoy with his friends, vampire. He likes night's outside. He is vampire. So he need to get blood. If he don't get blood, he will be die. when he play game he usually get blood. He is very fun.

~ Sleeping Coffin ~

< TV >

There is a TV in it. If you want to watch youtube, anime, movie, and so on.

If there are camera near it, we can watch outside.

< Fan >

This is special fan. If you feel hot, The fan makes coffin cool. And if you feel cold, it makes coffin warm. You can use it like a air conditioner. You can use fan easier than air conditioner

This product's name is "Sleeping Coffin"
Sleeping Coffin has TV, fan, soft cushion, solar panel.
This product's name has "sleeping". There is it to sleep.

< Solar Panel >

It is safe for embiroment
It can charge energy
It is eco!!

< Soft Cushion >

If you are sleeping without soft cushion, you have a stiff shoulders, backache, and so on. But you sleep with soft cushion, you can have a good sleep. It is very different from without cushion. It is very good.
